

## Afternoon Activity Ideas

- **Reading Lodge or Pier** (where kids can just kick back in comfort and simply have time to read....)
- **Creative Writing** (bookmaking, comics, etc.)
- **Computers** (use PowerPoint, Word, Paint, etc. to produce projects)
- **In-depth Investigators** (students should be given a topic, e.g. tents, and find facts out about who made them, the best materials, the best company to buy) \*need access to computer lab
- **Music** (sight word songs, camp songs, space songs)
- **Physical Education** (Spark PE program, a literacy-based PE program)
- **Art** (each activity should be theme-based) \*will need to purchase materials such as air-dry clay, construction paper, glue, etc.
- **Practical Pointe** (activities such as tent set ups, map making, first aid, knot tying, making sandwiches, dental hygiene, etc.)
- **Reader's Theatre** (where students can produce their own theatre)
- **Centers Corner** (skills-based reading and math center activities)
