

Dolch Word Assessment

For grade K, each teacher will assess only List A(containing 40 words) using the student testing sheet (only 1 copy needed per class) and then mark incorrect responses with an X in the box on the student recording sheets (one copy per student tested needed). There are two boxes provided on the recording sheets. Please mark the left box for pre-test and the right box for post-test.

For grades 1-3, each teacher will individually assess every student using the student testing sheet (only 1 copy needed per class) and then mark incorrect responses with an X in the box on the student recording sheets (one copy per student tested needed). **These grades will assess all of the word lists (Lists A-E) for a total of 220 words.**

*As you begin helping your students master all 220 words, be aware each list of words correspond to a matching category of Dolch Words. The matching categories are as follows:

List A=Pre-Primer Dolch Words

List B=Primer Dolch Words

List C=First Grade Dolch Words

List D=Second Grade Dolch Words

List E=Third Grade Dolch Words

If student self-corrects, please mark the box SC.

If student does not respond within 3 seconds, please mark the word as incorrect.

Oral directions to give to student:
